

"RE"?

Is it really possible to ~~redo~~ something that
was already done,
Can I un-choose a bad choice and RE-choose another one,
Can I RE-decide a bad decision,
RE-wind and RE-visit,
RE-fine and RE-pick-it,
RE-time and RE-live it,
Can I truly be RE-born or even born again,
forgotten of all sin, starting back at a flawless pure state -
- which we all once began;
Can I RE-new what's old, or only bring a fresher version
of old news;
Can I RE-connect a disconnected connection that as a child
brought me joy,
Or as a man do I want to connect in a much stronger way
than how I did when I was just a boy,
A part of me just wants what I had when I was younger,
the anxiety... excitement, the carelessness wonder,
but the part of me that's grown wants a much deeper relation,
more trust and stability... a future... a foundation!
See as a man I understand that I can not RE-wind,
because there is no second chance at a first-time,
So even though I recollect and remember what I use to do,
I don't want to RE-connect what I had ... -
∴ I want to connect something Better and New!
